

Learning to Print

RECOMMENDED FOR USE IN GRADE 1

NAME _____

SCHOOL _____

GRADE _____

CONTENTS

Pages 1 - 52

Learning to write each letter of the alphabet, in both capital and small letters. Practising the way to write each letter and copying letters and sentences.

The activities also re-inforce the following skills:

Fine motor co-ordination.
Visual discrimination.
Spatial relations.
Recognition and identification of capital and small letters.
Learners can learn about and identify the different parts of speech and punctuation marks in the sentences at the end.

The letters of the alphabet are in alphabetical order but can be taught in any order.

The learners can either:

First learn to write each letter of the alphabet in small letters and then go back and do the capital letters OR they can learn to write the small and capital letters together.

Pages 53 - 58

Practising writing each letter of the alphabet on lines.

Pages 59 - 72

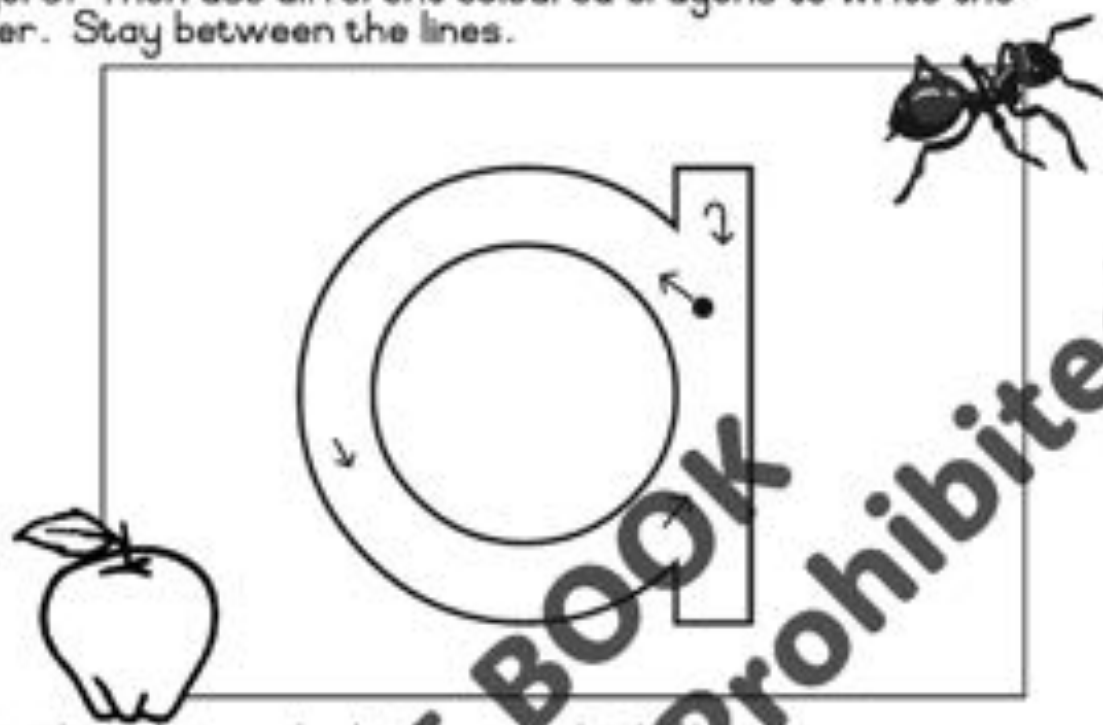

Words and sentences to copy - half a page for each letter of the alphabet.

PLEASE NOTE: this is NOT a phonics book but a handwriting one, and the words used are relevant to the letter of the alphabet taught and not the sounds they make.
